Message

Andaman & Nicobar Islands Institute of Medical Sciences (ANIIMS), Port Blair is the only premier medical institute for the entire union territory of Andaman & Nicobar Islands. Our institution provides secondary and tertiary care health service for the patients of the entire archipelago. The rural and urban health training centres under ANIIMS provide primary health care facilities to the rural and urban population and also provide an inside view of the primary health care management for the medical students.

The need of the time is to meet the increasing demand for medical doctors as more and more diseases are emerging in our islands. Andaman & Nicobar Islands Institute of Medical Sciences has been set up keeping in mind the above and to meet the increasing requirements of medical doctors in the Andaman & Nicobar Islands, who need to be equipped with the latest knowledge and skills. ANIIMS, with its dedicated and skilled faculty, excellent infrastructure, library facilities, museums, laboratories and skill labs, provides hands-on experience to the students. Our endeavour has always been to provide the best medical education environment to the students and to prepare them to take up the challenges of tomorrow so that when they pass out of the institutions, they are competent to handle the responsibilities of the noble medical profession.

As the Director of ANIIMS, it is my immense pleasure to extend a warm welcome to all the candidates who have chosen ANIIMS as their centre for career development in medical profession.

With warm greetings and best wishes

Dr. Ashish Kumar Mandal, MD (AIIMS), PhD (Japan)
Director, ANIIMS

1. Introduction

1.1 Andaman and Nicobar Islands:

The Andaman & Nicobar Islands is a Union territory, with Port Blair as its capital. The Islands - a total of 572 in number are located in South-East of the Bay of Bengal, between 6° and 14° North latitudes and 92° & 94° East longitudes. For administrative purposes, the Islands in the Union Territory are grouped into three districts viz. North & Middle Andaman, South Andaman, and Nicobar. Andaman & Nicobar Islands are situated about 1200 km. away from the mainland. The population of the Islands, as per the last Census is 3.80 lakhs.

1.2 Mission: The primary aim of Andaman and Nicobar Islands Institute of Medical Sciences (ANIIMS) is to provide quality medical education, health services and research facilities in Andaman & Nicobar Islands.

Andaman and Nicobar Islands Institute of Medical Sciences (ANIIMS), Port Blair gives a distinct boost to the health care delivery besides its primary role of imparting medical education to the students mainly from these islands (85%) as well as mainland (15%). Admission to the MBBS course are made on the basis of NEET rank merit list. Reservation is also being given to the economically weaker sections of the society. ANIIMS is also improving health care standards of Andaman and Nicobar Islands with increased number of medical professionals and advanced health care infrastructure.

1.3 Management of Andaman & Nicobar Islands Institute of Medical Sciences (ANIIMS):

Andaman & Nicobar Islands Institute of Medical Sciences (ANIIMS) is a Medical Council of India (MCI) permitted premier Medical Institution established by the Andaman & Nicobar Islands Medical Education and Research Society (ANIMERS) under the Andaman & Nicobar Administration. The President of the Governing Body of ANIMERS is the Honourable Lieutenant Governor of Andaman & Nicobar Islands. The Chairman of the Executive Council of ANIMERS is the Chief Secretary, Andaman & Nicobar Administration.

The Institute has started its academic session with effect from the academic year 2015-16 with 100 seats, of which 85% were reserved for the students of Andaman & Nicobar Islands. The institute has been permitted to admit students by the Medical Council of India vide Ministry of Health and Family Welfare letter no. MCI-34(41) (R-84)/2019-Med./117550, dated 25th May, 2019.
