Director's Message

Andaman & Nicobar Islands Institute of Medical Sciences (ANIIMS), Port Blair is the premier medical institute for the entire union territory of Andaman & Nicobar Islands. The attached teaching hospital, GB Pant Hospital the only tertiary care centre with advanced patient care facilities for the population of Andaman and Nicobar Islands. This also provides the right platform to transform the students into Indian Medical Graduates by providing opportunities to obtain Early Clinical Exposure, Medical Ethics & Etiquette, Care and Skill. In its endeavors to provide quality health care services to the patients, ANIIMS plans to initiate new super specialty services in addition to the existing state of art Cardiac Cath Lab. The rural and urban health training centers under ANIIMS provide comprehensive healthcare facilities to the rural and urban population and an inside view of the primary healthcare management for the medical students.

In response to the need of the hour to meet the increasing demand for medical doctors, ANIIMS with its dedicated and skilled faculty, excellent infrastructure, library facilities, museum, laboratories and skill labs, provides hands-on experience to the students. Continuing into our efforts to provide quality medical education to the students and to prepare them to take up new challenges each day, ANIIMS plan to initiate Post Graduate courses in various subjects in next academic year.

As the Director of ANIIMS, it is my immense pleasure to extend a warm welcome to all the candidates who have chosen ANIIMS as their center for career development in medical profession.

With warm greetings and best wishes

Director, ANIIMS

1. Introduction

1.1 Andaman and Nicobar Islands:

The Andaman & Nicobar Islands is a Union territory consisting of a total of 572 Islands located in South-East of the Bay of Bengal, between 6° and 14° North latitudes and 92° & 94° East longitudes. Port Blair is its capital situated in South Andaman District. The estimated population of the Islands, as per the last census is above 3.9 lakhs.

1.2 Mission: The primary aim of Andaman and Nicobar Islands Institute of Medical Sciences (ANIIMS) is to provide quality medical education, health services and research facilities in Andaman & Nicobar Islands.

Andaman and Nicobar Islands Institute of Medical Sciences (ANIIMS), Port Blair has given a distinct boost to the health care delivery besides its primary role of imparting medical education to the students mainly from these islands (85%) as well as mainland (15%). Admission to the MBBS course is made based on NEET rank merit list. Reservation is also being given to the Socio-economically weaker sections of the society. ANIIMS is improving health care standards of Andaman and Nicobar Islands with increased number of highly qualified medical professionals and development to advanced healthcare infrastructure.

1.3 Management of Andaman & Nicobar Islands Institute of Medical Sciences (ANIIMS):

Andaman & Nicobar Islands Institute of Medical Sciences (ANIIMS) is a National Medical Commission (NMC) permitted premier Medical Institution established by the Andaman & Nicobar Islands Medical Education and Research Society (ANIMERS) under the Administrative and financial control of Andaman & Nicobar Administration. The President of the Governing Body of ANIMERS is the Honorable Lieutenant Governor of Andaman & Nicobar Islands. The Chairman of the Executive Council of ANIMERS is the Chief Secretary, Andaman & Nicobar Administration.

The Institute started its first academic session with effect from the academic year 2015- 16 with an intake capacity of 100 seats, of which 85% were reserved for the students of Andaman & Nicobar Islands. The institute has been permitted to admit students by the Medical Council of India of India vide Ministry of Health & Family Welfare letter no. HEALTHY CAMPUS CAMPAIGN

It is an initiative to inculcate healthy habits and lifestyle in students of ANIIMS and also to develop better communication and stronger bond between the faculty and students of ANIIMS.

STUDENT MENTORSHIP PROGRAM

ANIIMS has launched “Student Mentorship Program” for Batch 2022 to enable a smooth transition of undergraduates into medical profession and campus life. In addition to coping with mammoth academic pressure, during the transitional phase of adolescence, students also have to deal with the stress of separation and individuation from their family while responding to demands of this challenging profession. Creating an effective mentoring network fosters a vigorous learning environment and support students to become the best version of themselves.

Under this initiative, each student will be allotted a faculty member who will act as their foster parent throughout their life at ANIIMS medical college. All the mentees will also be provided with a Mentorship log book which aims to create a standard protocol for documenting and implementing the journey of nurturing trust, support and confidence through interactions of assigned teacher-mentors for every medical student at ANIIMS. It is envisioned that this initiative will help enforce the wonderful concept of fostering a much-needed support system for the MBBS students in their evolving journey.
